

# SUMANT SINHA SUSTAINABILITY LEADERSHIP AWARD-2026

**Sumant Sinha Sustainability Leadership Award** has been instituted to award a regular IIT Delhi student who has made significant contributions in research in the area of sustainability, energy, waste management, environment and climate change. The award is given annually in the convocation. The prize money for this award will be INR 50,000/- (Rupees fifty thousand only).

## **Eligibility criteria:**

- Applicable to IIT Delhi students only, who are due to receive their degree in convocation 2026.
- The evaluation of the application for the award will be on the basis of research work/applied work done in the area of Sustainability, Energy, Waste management, Environment and Climate change.
- The impact of research will be given due consideration in the evaluation process.
- In case of a tie, the award amount will be shared equally.

## **Application Guideline:**

- Duly filled application should be submitted with endorsement from the supervisor.
- The application should be emailed to [recee@admin.iitd.ac.in](mailto:recee@admin.iitd.ac.in).
- For more details please contact Prof. Sumit Kumar Chattopadhyay, Department of Energy Sciences and Engineering. (email: [sumit@iitd.ac.in](mailto:sumit@iitd.ac.in))
- Last date for receiving the complete application: 20th May, 2026.
