Independent Auditor's Review Report on the Half-yearly Unaudited Financial Results of the Company Pursuant to Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
ReNew Wind Energy (Jath) Limited

1. We have reviewed the accompanying statement of unaudited financial results of ReNew Wind Energy (Jath) Limited (the "Company") for the half year ended September 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes

1 Ratios have been computed as follows:

- Earning per share = Profit after Tax / Weighted average number of equity shares

- Debt Equity Ratio* = Debt (Amount due to Debenture Holders) / Equity (Equity share capital, share premium, quasi equity i.e. Short term borrowing but excluding unamortized fees)

- Interest Service Coverage Ratio = Profit before interest, prior period items, tax, extraordinary items and depreciation / Total Interest Expense.

- Debt Service Coverage Ratio* = (PAT based on Project Revenues realised (excluding non-cash adjustments, if any)**+ Depreciation+ Interest (Interest, Guarantee Fees, other financing costs payable under Debenture and Project Documents)) / (Interest + Principal Repayment+Guarantee fee).

- Asset Coverage Ratio = (Total Assets-Current Liabilities) / Debt (Amount due to Debenture Holders)

*As per Debenture Trust Deed dated 11 September, 2015.

** Generation based incentive have been included in computation of Project Revenues realised

Net worth represents issued subscribed and paid up capital plus reserves and surplus.

Reserves and Surplus includes Debenture redemption reserve, Securities premium account and Profit and loss account balance.

2 The statement has been prepared in accordance with the Indian Accounting Standard as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant rules issued thereunder and other recognized accounting practices and policies.

3 The company is in the business of development and operation of wind power. There is only one segment (business and/or geographical) in accordance with the requirements of IND AS - 108 "Operating Segments".

4 The above reviewed financial results have been approved by the Board of Directors in their meeting held on 10-November-2020

5 India Ratings and Care Ratings has assigned long term issuer rating and rating for the outstanding non-convertible debentures of the Company to "IND AA+ (CE)" and CARE AA+ (CE) with stable outlook.

6 Due to outbreak of COVID-19 in India and globally, the Company has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID-19. Considering that the Company is in the business of generation of electricity which is an essential service as emphasized by the Ministry of Home Affairs and Ministry of Power, Government of India and which is granted "Must Run" status by Ministry of New and Renewable Energy (MNRE), the management believes that the impact of outbreak on the business and financial position of the company is not significant. Further, MNRE directed that the payment to Renewable Energy power generator shall be done on regular basis as being done prior to lockdown and the company has generally received regular collection from its customer(s). The management does not see any risks in the company's ability to continue as a going concern and has been able to service all debts obligations during the half year without opting for moratorium as directed by Reserve Bank of India for interest and principal instalments falling due to banks. The Company is closely monitoring developments, its operations, liquidity and capital resources and is actively working to minimize the impact of the unprecedented situation

7 The Balance Sheet as at 30 September, 2020 and 31 March, 2020 as per Schedule III of the Companies Act, 2013 is attached as Annexure 1.

Kerala CM, Kodyieri using party as shield for all corrupt deals: Cong

IAN S ■
THIRUVANANTHAPURAM

Launching an attack against Kerala Chief Minister Pinarayi Vijayan and CPI-M state Secretary Kodyieri Balakrishnan, Leader of Opposition Ramesh Chennithala said on Wednesday that both these leaders are now caught neck-deep in numerous scams and are using the CPI-M as a shield.

An affidavit filed by the Enforcement Directorate (ED) in a court containing the statement of the prime accused in the gold smuggling case, Swapna Suresh, stated for the first time on Wednesday that the former Secretary to Vijayan - M. Sivasankar - and his 'team' in the office of the CM knew about all the deals, including the gold smuggling case.

This was filed by the finan-

Chennithala said that never before did the party or any other State Government reach the position where the present leadership has reached

cial probe agency after the court extended the ED custody of senior IAS officer Sivasankar, which ended on Wednesday, by one more day.

Chennithala said that never before did the party or any other state government reach the position where the present leadership has reached.

“While Vijayan’s office is engaged in smuggling and other dubious deals, Balakrishnan’s son is doing business in drug trafficking. Now after they have been caught red-handed, they are using their party as a shield and

misleading their cadres to protect their wrongdoings,” said Chennithala.

“It was Vijayan who wrote to Prime Minister Narendra Modi for a probe and today the same Vijayan is leading his government and his party to the streets to protest the very same probe that he had asked for. I fail to understand what’s happening,” added Chennithala.

The ruling Left government has announced a protest to be held on Monday across the state attacking the Centre for using national probe agencies to weaken the Pinarayi Vijayan government.

“I fail to understand why Vijayan, who claims to know nothing, is worried. If one has done no wrong, then why fear? Time will soon tell the truth, and all that the opposition has been saying will turn true,” added Chennithala.

Swapna Suresh’s statement shakes Kerala Government

KUMAR CHELLAPPAN ■ KOCHI

Scams associated with the SLIFE Mission and Kerala Fibre Optic Network (K-Fone), the two flag ship mega infrastructure projects of the ruling Left Democratic Front Government in the State turned worse with Swapna Suresh, the third accused in the gold smuggling case telling the Enforcement Directorate officials that all illegal transactions and deals involving these programmes were carried out with the full knowledge of the Chief Minister’s Office.

Ramesh Chennithala, Kerala’s Leader of the Opposition, alleged on Wednesday that the Chief Minister’s Office has become the epicentre of corruption,

smuggling and anti-national activities. Reacting to the report submitted by the ED in the court on Wednesday, he

alleged that he State administration is under the control of a cabal consisting of corrupt officials, party leaders and smugglers.

In a report submitted to the court on Wednesday seeking an extension of the custody of M Sivsankar, the former principal secretary to chief minister Pinarayi Vijayan, the ED told the court that the bureaucrat refused to answer the questions posed to him by the investigation team. Since Sivsankar was not cooperating with the ED, the agency took into custody Swapna Suresh with the concurrence of the court and she was interrogated.

Swapna, who had close liaison with Sivsankar told the ED officials that the former principal secretary was privy to all illegal and underhand dealings associated with the LIFE Mission and K-Fone projects. The Rs one crore seized from

a ban locker in her name was the bribe amount meant for Sivsankar from one of the beneficiaries of the LIFE Mission project, Swapna reportedly told the ED team. She also disclosed that she too had certain roles in the award of contracts and business associated with these projects.

In yet another setback to the CPI(M), Bineesh Kosiyeri, son of party secretary Kodyieri Balakrishnan, who was arrested by the ED in connection with money laundering and financing of narcotics trade was sent to judicial custody for 14 days on Wednesday by a court in Bangalore. Bineesh’s custody period under the ED got over on Wednesday. Though the ED did not ask for extending his custody period, the agency opposed granting of bail to him on the ground that he wielded massive political and official influence.

After Bihar polls, Tejashwi has emerged as a new face in Indian politics: Shiv Sena

TN RAGHUNATHA ■ MUMBAI

Maintaining that it would not accept that RJD leader Tejashwi Yadav had lost the Bihar Assembly polls in which he fought valiantly against the formidable ruling NDA, the ruling Shiv Sena said on Wednesday that the “historic” polls had thrown up a “new face” in the form of Tejashwi in the national politics.

Heaping lavish praise on Tejashwi who led the RJD in the Bihar Assembly polls, the Shiv Sena in an editorial published in its official mouth-piece “Saamana” said: “We have to accept the verdict in the Bihar Assembly polls. But, we do not consider the poll outcome as the defeat of Tejashwi Yadav. The poll defeat can in no way be considered a debacle. Nor the success achieved by way of increasing the number through a jugaad (a flexible approach to solve a problem) can be called a victory.”

“Tejashwi fought a valiant battle. The battle was both within the family and against a formidable ruling alliance. The ruling BJP in Delhi and the Bihar JD(U) did not lose any opportunity to defame Tejashwi during the campaign. Despite a no-holds-barred attack launched against him, Prime Minister Narendra Modi called him crown prince of Jungle Raj. But, Tejashwi did not lose his composure but went ahead with his campaign,” the editorial stated

“On the contrary, incumbent chief minister Nitish Kumar – apprehending defeat – made an emotional appeal to the voters, saying that this was his last poll he was fighting. He made emotional appeals to the voters. After having ruled Bihar for the past 15 years, Nitish was brought to knees in the poll campaign. This was because

“Tejashwi fought a valiant battle. The battle was both within the family and against a formidable ruling alliance. The ruling BJP in Delhi and the Bihar JD(U) did not lose any opportunity to defame Tejashwi during the campaign. Despite a no-holds-barred attack launched against him, Prime Minister Narendra Modi called him crown prince of Jungle Raj. But, Tejashwi did not lose his composure but went ahead with his campaign,” the editorial stated

Tejashwi concentrated his campaign on issues like development, employment and education and defeated Nitish midway through the polls, ``the ‘Saamana’ `` editorial stated.

“No wonder that the Bihar polls were intensely fought. It was Tejashwi who brought intensity to the polls. He was undeterred in his fight against either a political bigwig like Narendra Modi or against an experienced political war horse like Nitish Kumar,” the “Saamana” editorial stated.

“This Bihar Assembly polls will go into the history of Indian politics. The power may go into the hands of anyone after the polls, but the Bihar polls have given the country a new face in Tejashwi Yadav. Any amount of congratulations to Tejashwi is less for the manner in which he fought the Assembly polls,” the Sena mouth-piece added.

The Shiv Sena’s wholesome praise of Tejashwi Yadav should be seen in the context of the fact that the RJD emerged as the single largest party in the polls with a whooping 75 seats, as against 74 seats won by the BJP and 43 seats won by the JD(U).

2. The statement has been prepared in accordance with the Indian Accounting Standard as prescribed under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant rules issued thereunder and other recognized accounting practices and policies.
3. The company is in the business of development and operation of wind power. There is only one segment (business and/or geographical) in accordance with the requirements of IND AS - 108 "Operating Segments".
4. The above reviewed financial results have been approved by the Board of Directors in their meeting held on 10-November-2020.
5. India Ratings and Care Ratings has assigned long term issuer rating and rating for the outstanding non-convertible debentures of the Company to "IND AA+ (CE)" and CARE AA+ (CE) with stable outlook.
6. "Due to outbreak of COVID-19 in India and globally, the Company has continued its assessment of likely adverse impact on economic environment in general and financial risks on account of COVID-19. Considering that the Company is in the business of generation of electricity which is an essential service as emphasized by the Ministry of Home Affairs and Ministry of Power, Government of India and which is granted "Must Run" status by Ministry of New and Renewable Energy (MNRE), the management believes that the impact of outbreak on the business and financial position of the company is not significant. Further, MNRE directed that the payment to Renewable Energy power generator shall be done on regular basis as being done prior to lockdown and the company has generally received regular collection from its customer(s). The management does not see any risks in the company's ability to continue as a going concern and has been able to service all debts obligations during the half year without opting for moratorium as directed by Reserve Bank of India for interest and principal instalments falling due to banks. The Company is closely monitoring developments, its operations, liquidity and capital resources and is actively working to minimize the impact of the unprecedented situation.""

7. The Balance Sheet as at 30 September, 2020 and 31 March, 2020 as per Schedule III of the Companies Act, 2013 is attached as Annexure 1.

Suburban train services resume in Kolkata

SAUGAR SENGUPTA ■ KOLKATA

Suburban train services resumed on Wednesday in Eastern and South Eastern Railways from Sealdah and Howrah after about eight months gap with the stations witnessing massive crowd build up despite the authorities maintained a strict vigil to ensure pandemic protocol.

The train services resumed after repeated protests at various suburban stations by angry commuters who complained of lack of transport facility to reach Kolkata.

Though the EMU (local) trains were not fully crowded as is witnessed during normal situations Railways authorities said expected more passengers in the coming days.

“We ran 696 trains today

and will be running about 85 percent of our full running capacity during the office time,” a senior official in the Eastern Railways said even as Chief Minister Mamata Banerjee requested the Railway authorities to increase the number of trains so as to avoid crowding of the compartments.

The Railways after a series of meetings with the State Government resumed local train services on Wednesday with alternate seating arrangements in coaches with every other seat being cross-marked in order to ensure for physical distance among passengers.

This apart spot markings were made outside the ticket counters in order to ensure social distancing, Railway authorities said adding the pas-

sengers were being checked with thermal screening and were being given sanitizers before entering the platform.

Passengers coming from the suburban centres looked happier with the running of the trains even as those coming from Sonarpur in South Sealdah division said how “we had shell out more than Rs 200 per day to visit our offices 50 km away from Baruipur as we had to avail of different modes of transport from buses, to auto rickshaws to share taxis. ... but once the trains have started we will be able to reach our offices for Rs 50 only.”

Meanwhile in a related development Chief Minister Mamata Banerjee on Wednesday announced that there would be no selection

Gujarat to reopen schools, colleges from Nov 23

Gandhinagar: The Gujarat government on Wednesday decided to reopen high and higher secondary schools and colleges in the state from November 23 subject to adherence of Covid-19 guidelines.

However, there has been no decision on reopening of primary schools. The government said it will analyse the feedback on implementation of Wednesday’s decision and then decide. Education Minister Bhupendrasinh Chudasama said: “A Cabinet meeting chaired by Gujarat Chief Minister Vijay Rupani on Wednesday decided to reopen schools and colleges in the state. Before that, I held discussions with my department officials, education experts, academics and other stakeholders on continuation of studies.

“The Cabinet decided that after Diwali, from November 23, all high and higher secondary schools, colleges and universities will hold teaching in their respective premises. For this, they shall strictly follow the Standard Operating Protocol of the central government.”

STE held for molesting a girl at Aligarh railway station

PRADEEP SAXENA ■ ALIGARH

At Aligarh railway station, STE (Senior Ticket Examiner) molested Prayagraj’s girl on the pretext of ticket checking. The girl sat on the bench with her mother waiting for the train. STE ran away on her mother’s reprimand. The victim has filed a case at the GRP police station. After this, STE was arrested. The Railways has suspended the STE and started an investigation.

An 18-year-old girl from Prayagraj came to Aligarh for some work with her mother. When the girl and mother reached the station to catch the Rewa Express, STE Pramod Kumar checked the ticket at the entrance. The girl then moved to platform number 3/4 with her mother and sat on the bench waiting for the train.

Dhanipur airstrip will be connected with Jewar Int’l Airport

Aligarh: For the Master Plan 2031, special attention is being given to industries. Preparations are going on to connect Dhanipur airstrip and its three flying clubs to Jewar International Airport to start air taxi and air ambulance up to Jewar and NCR in the future.

In these flying clubs, drone cameras flying training, training of airport ground staff and air hostess will soon be started along with the training of commercial pilots.

This will create new employment opportunities and after training in Aligarh, the people will be able to get different jobs at Jewar Airport. Aligarh can become a major hub in the region, as there are no three flying clubs anywhere else in the state.

NIA arrests K’taka man in WB LeT recruitment case

PNS ■ NEW DELHI

The National Investigation (NIA) has arrested an accused from Karnataka in connection with the Lashkar-e-Tayyeba (LeT) recruitment case of West Bengal.

“Yesterday (10.11.2020), the NIA arrested accused Sayyad M. Idris, aged 28 years, resident of Uttara Kannada, Karnataka in West Bengal LeT Recruitment Case,” the NIA said in a statement on Wednesday.

The case arose out of West Bengal, Baduria Police Station FIR No. 1507/2020 dated March 18, 2020 pertaining to Pakistan-based handlers belonging to proscribed terrorist outfit Lashkar-e-Tayyaba using various social media platforms to radicalize and recruit vulnerable youth for

sleeper cells, to propagate their ideology and for abetting and advocating unlawful activities, the agency said.

The arrested accused Sayyad M. Idris was part of various social media groups run by Pakistani-based LeT handlers in their effort to recruit individuals for sleeper cells of LeT and for furthering terrorist activities, it alleged.

The accused is being produced before the Court, Uttara Kannada and transit remand is being taken to produce him before NIA Court, Kolkata, it further said.

In this case, chargesheet has already been filed against accused Tania Parvin of Kolkata on September 10 and further investigation in the case is continuing, it added.
